

# Impact**Lab**

**ORIENTATION & MOVE-IN**

**SESSION II • JULY 24<sup>TH</sup>, 2022**

# Welcome to ImpactLab at Wentworth Institute of Technology!

We are so excited to welcome you to campus this summer! Here at Wentworth, we recognize the world we live in was built by problem solvers, driven by curiosity, and fueled by passion. At ImpactLab, we are excited about developing the next generation of problem solvers. You all!

Our program staff have been busy planning away to deliver an unforgettable experience in the city of Boston! Please take some time to review the information listed within this Orientation and Move-In schedule, as it will prepare you for your arrival to campus in July.

As you explore the information shared in this schedule if you have any additional questions, please reach out to our staff at [precollege@wit.edu](mailto:precollege@wit.edu). See you in July!

# MOVE-IN & CHECK-IN

## What to expect

Check-in will take place in West Lot (see map) on Sunday, July 24, during the designated move-in time block. Once students make their way into West Lot, we will instruct families to park their vehicle and proceed to check-in. Upon checking in, each participant will receive a detailed schedule of events, their room assignment, and a lanyard with an ID Card to be worn throughout the program. Once you collect your materials you will receive a blue bin, where you can add your belongings and staff will help direct you from West Lot to 610 Huntington Ave. Please see the Orientation schedule for more information. If you are traveling from a long distance and do not plan to make the morning check-in, please let us know of your travel plans ASAP and we will make necessary arrangements for your early arrival.

## Pre-arrival COVID-19 Testing

All participants attending the program must conduct a pre-arrival test and submit their results. All participants must produce proof of a negative COVID test (PCR or Rapid Antigen Test) administered by a testing center. Provide test results 24-48 hours prior to arrival via email at [precollege@wit.edu](mailto:precollege@wit.edu). Results must include students name and date of the test. **Please note at home testing will not be accepted.**

We will have nursing staff on site during Move-In that will be able to provide a COVID-19 rapid test in the event of an emergency or necessary re-test. **Please note that all students are still required to submit pre-arrival testing.**

In all indoor spaces, face masks are optional for students who are fully vaccinated and boosted. Face masks are highly recommended for students who have vaccine exemptions. We ask that participants respect and support those who wish to continue masking during the program.

Learn more about our current COVID protocols at [wit.edu/student-life/re-entry](https://wit.edu/student-life/re-entry).
